I. Comprehension

You are going to read a text about children who joined school clubs. Read the text and then answer the questions that follow.

Hi! I'm Danny. This is my school drama club. We meet every Thursday after school. We're practicing our new play at the moment. I'm trying to remember all my lines. I'm playing the king, so I'm going to wear a crown and a long cloak. I'll look funny in my costume! I love acting in plays. I want to be an actor when I'm older.

My name's Lucy and I'm in the school art club. We meet on Tuesday lunchtimes and we sometimes meet after school on Fridays, too. Today, I'm painting a picture of a garden. I'm using lots of bright colours for the flowers. I like painting pictures, too. Sometimes the art club goes to the art gallery. We see lots of beautiful paintings there.

My name's Jack. I'm in the school football team. We get together on Wednesdays and Fridays. Today, we're training for a very important match. It's raining a little bit today, so the ground is muddy. I'm wearing my new football shirt, but it's already dirty! We practice in all kinds of weather, because we want to win! I feel happy when I score a goal and win a football match!

I'm Emma and I love music. I go to the school music club every Friday. We all play different instruments. I know how to play the violin and the piano. Today, I'm playing the violin. We're learning a new piece for a concert. I love pop music but I hate heavy metal. I love classical music, too, because you can hear lots of different instruments.
